

## HEALTHCARE CHRISTIAN FELLOWSHIP AUSTRALIA

"Lift your eyes! Shift your thoughts! Move ahead"

### PRAYER NOTE – SEPTEMBER 2025

Dear Friends and Prayer Partners,

A world increasingly in chaos. Nations like Australia experiencing unprecedented mix of challenges. Humans fast and convincingly realising "we" cannot find the solutions.

The real question in the light of the scriptures is "will the fallen world with fallen humanity see solutions emerging from the evil and sinful acts?"

David prayed in Psalm 55:16 "as for me I will call upon God, And the LORD shall save me."

I get the inner feeling the relational God of Christianity is going to respond to every child of his in a personal way as they cry out to him. Troubles may continue around us, but tears of joy will fall because God has answered our individual prayers. God shapes the world by prayer. Prayers are deathless. Prayers have power. They will outlive the lives of those who prayed. Pray without ceasing.

As a body of Christ, we pray:

Through the afflictions of this world, may we exalt the Lord no matter what situation we are going through. To be grateful for everything. Help us Lord to stand the whirls of this world.

To equip us with the Armour of God. (Ephesian 6:10-18) It is a spiritual battle we face.

Help us Lord with your word. To read the word, build our faith share the Gospel of peace. We will have a word in season to navigate our lives daily. To speak the word without fear give us the boldness.

Guard our minds Lord and protect us from the things of this world so we will remain focused on You. The cross before us and the world and the happenings behind us.

We pray that we will be kind to one another (Ephesian 4:32). Demonstrate Christ like character and compassion always.

Renew our strength, Lord. We will not grow weary. We will mount with wings like Eagles. Help us Lord to be tireless cultivators and sewers of the seed of the gospel wherever we go.

We pray for our brothers and sisters in Christ who are being persecuted for your name's sake. Let Faith strengthen them. Hope fill them. Praise rise. Assure them their names are written in the Book of Life for ever.

**Please consider the suggested prayer points along with what God has placed in your heart.**

**HCF Australia ministry:**

1.Praise God for the opportunity to equip many healthcare workers in Perth through "Saline Training" in August. God has his own timing. He brings his own and empowers and equips them to live and share the hope in Jesus Christ. Pray for their growth as disciples and disciple makers.

2.The junior healthcare workers with whom the urgency, calling, commitment, courage, and humility in living for Christ is shared regularly through many avenues. They will grow deeper in their relationship with the Lord.

3. The God given vision to work along many Christians experienced and resourceful in equipping believers to engage in a deeper, relational, and practical way in caring for the whole person in the community. Be mission clear. Get mission ready. Stay mission true.

**Australia:**
