

HEALTHCARE CHRISTIAN FELLOWSHIP AUSTRALIA

"Lift your eyes! Shift your thoughts! Move ahead"

PRAYER NOTE

December 2025

Dear Friends and Prayer Partners,

In this last Prayer Note for 2025 I want to share two points I think are important regarding prayer.

First is the commandment to **pray without ceasing** as is commanded in 1 Thessalonians 5:16-18:

¹⁶Rejoice always, ¹⁷pray without ceasing, ¹⁸give thanks in all circumstances; for this is the will of God in Christ Jesus for you.'

Is this our approach to prayer life? Are we praying without ceasing throughout the day? May we ask the Lord to help us with this in the coming year. Prayer will change and move things.

The next thing about prayer is the wonderful encouragement in Philippians 4:6-7

⁶**do not be anxious about anything**, but in everything by prayer and supplication with thanksgiving **let your requests be made known to God**. ⁷And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.'

In these days of uncertainty, God wants us to respond through prayer and supplication with thanksgiving to him and not to be anxious. His promise is that the peace of God, which surpasses all understanding will guard out hearts and minds in Christ Jesus. His peace is not dependent on the circumstances.

So, as we come to the end of the year, let ask God to help us remember these two points in prayer!

As we come to the close of year 2025 let us specially pray to our Lord for these points:

1) Australia

a. This Christmas season, **many** who do not know the Lord may attend church-some for the first time. Let us pray for the salvation of the unsaved who may be attending church during this season.

b. The pure and unadulterated message of the Gospel of hope will be preached.

c. Let us pray for our church leaders here in Australia. That God will keep the fire burning in their heart to continue serving the Lord with zeal this coming year. Also, pray for their emotional, spiritual, physical, and mental health. That the Lord will protect them from burnout.

2. HCF Australia

a. Pray that the Lord will use this ministry (us) to touch the lives of many more in the healthcare field- especially those newly entering the workforce in 2026. Those new to the workforce can easily be disillusioned if influenced by the wrong people and values and being surrounded by pessimistic people. May we be a positive influence on them.

b. Pray for the leading of the Holy Spirit into 2026. His Kingdom will be built in and through healthcare. Saline training programs- that more will be organized next year, as well as the regular Discover Bible Study on the 2nd and 4th Tuesday each month and the equipping through CPC monthly meeting online. These will edify all those that participate. A listening and obedient humble heart.

c. Give praise and thanksgiving for all what He has done in the year 2025 to influence, mentor and disciple health workers.

3. World

a. Pray for the world leaders involved in the many conflicts around the world. The Russia- Ukraine conflict. That they will be led by the Lord and not the flesh/evil one and that this conflict will reach a peaceful conclusion very soon.

b. Pray for peace in Israel that there will be a permanent resolution to the conflict between Hamas/Palestine and Israel.

c. Pray for the persecuted church- especially in Muslim majority nations like Pakistan/Middle east/Africa (Especially Nigeria). That they will stand firm in their faith, and the church will thrive even more amid these persecutions.

Your partnership in prayer is very much appreciated.

May the Lord bless you this Christmas season and may He keep us faithful and steadfast in our walk with him this coming 2026!

Stephen Sitter
