“Lengthen your cords, Strengthen your stakes, Expand His Kingdom.”

Isaiah 54:2,3

PRAYER NOTE – February 2026

Dear Friends and Prayer Partners,

And the word of the LORD came to me, saying, **“Jeremiah, what do you see?”** And I said, “I see an almond^[a] branch.” ¹² Then the LORD said to me, “You have seen well, for I am watching over my word to perform it.” Jeremiah 1:11

Brethren, before God can send anyone to His mission field, he ensures that he or she has a clear vision of what He wants to accomplish through them. It is a very clear principle that seem to run throughout the Bible. As we have begun, the new year and consider what is that we are being led to do as servants of “The Most High God” it would be very beneficial and ultimately rewarding to know that we see is exactly what He sees. It is only then that we could endeavour to accomplish the assigned tasks.

Jeremiah saw what God was seeing. God showed him an almond tree branch. Jeremiah saw an almond tree branch. So, Jeremiah passed the vision test and from then on, he was going to be a great prophet of God that indeed he turned out to be. As Jeremiah passed the first test, God was able to reveal His whole plan, and Jeremiah was going to have to be alert through his vocation as a prophet of Israel. May God help us see what He sees, hear what He ears and only then can we accomplish our outmost for His Highest Glory.

PRAYER SUGGESTIONS:

A. AUSTRALIA: 1 Tim 2:1

- Pray for this amazing nation according to the prayer our leaders pray at parliament: *“Almighty God, we humbly beseech Thee to vouchsafe Thy special blessing upon this Parliament, and that Thou wouldst be pleased to direct and prosper the work of Thy servants to the advancement of Thy glory, and to the true welfare of the people of Australia. Our Father, which art in Heaven, Hallowed be Thy name.”*

- Pray for God to guide all leaders in wisdom as we tackle issues of economy, migration, antisemitism, gender issues, voluntary assisted dying, and security.
- Pray that Australia will uphold pro-life position in all its law-making processes and uphold the sacredness of life.

B. HCF AUSTRALIA: Rom 12:1

- Pray that as Christian health workers we would see our workplace as a place of ministry flowing from daily abiding in Jesus Christ Our Lord. Challenging as it is in the wake of rising opposition and hostility, pray that we would persevere and remember that He sacrificed all for us so we could be saved and continue the art of disciple-making.
- Pray that all current programs like **CPC, Discovery Bible Studies and Saline** will not just be additional programs but that they will help build a fortified army of believers impacting the healthcare fields of Australia and beyond through Christ-centred care. Christ's care for humanity in its "totality" refers to a comprehensive, holistic approach that addresses the entirety of the human person—spirit, soul, and body—rather than focusing only on spiritual or physical needs.
- Entreat our Heavenly Father, to raise volunteers who will organise online or in person prayer sessions, small group gatherings, and junior health worker groups. This will go a long way in raising the likes of "Timothy and Titus" who will take the baton once current leaders hand it over.

C. GLOBAL MATTERS OF CONCERN

- Pray for peace in the unrest political hot posts. The major global political hotspots include the ongoing wars in Ukraine, Gaza, Sudan, and Myanmar, alongside rising risks in the Taiwan Strait and with North Korea. Other significant areas of conflict and instability involve Venezuela, Yemen, Ethiopia-Eritrea, and various regions in Africa.
- Pray for Gods servants in restricted areas that they will be kept safe as they reach out to the lost and injured (physically and spiritually)
- Pray for the two largest unreached people groups in the world; **The Shaikh of Bangladesh** 133,000,000 people and **The Japanese people group** is a close second with 118,000,000 people.

D. HCF International

- Pray that all preparation for the 90th anniversary celebrations will help spread the vision of HCF and bring many discouraged health workers to Jesus Christ.
- Pray that the leaders will discern the will of God for the next coming years making HCF engagement more relevant to the Christian worker of the current time.
- Pray that countries that are struggling to have effective fellowships will be energised by this celebration. Vision shared. Mission clear. Hearts anchored in Christ.
