

## HEALTHCARE CHRISTIAN FELLOWSHIP AUSTRALIA

“Lengthen your cord, Strengthen your stakes, Expand His Kingdom.”

### PRAYER NOTE

**March 2026**

Dear Friends and Prayer Partners,

And shall God not avenge His own elect who cry out day and night to Him, though He bears long with them? <sup>8</sup> I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?” (Luke 18:8-9)

While coming to the third month of the year the thought that challenges me is how my prayer life is. Am I connected, consistent and intensely intentional?

As Christians we have the assured access to God through His son. We have the position in God as His children through Jesus Christ. We have Jesus as our advocate by the side of God interceding on behalf of us.

Our prayers reach the throne room of God almighty and they are considered precious.

How do I weigh my prayer? Do I know the seriousness of failing to pray?

Am I perceptive of God’s interaction with me in areas I am called to intercede and influence. If I have the Holy Spirit within me, I should be resonating with the spirit of God who lives in me. He intercedes with us and guides us towards what and how to pray!

We are placed on this earth, in the region we live, in the place we work, in the church we worship, the neighborhoods we dwell and the home we live as God’s children and servants of His kingdom.

We are the connection that God has in these spheres.

The challenge I have is whether my prayer life involves **all the spheres**.

If so, how am I involved with Him in the process of redemption in every sphere I live on this earth?

Sometimes I am afraid of whether I have become rhetorical in my prayer life rather than realistic. We connect to a God who is real and who is interested in every detail and who prefers to be interactive.

God is interested in justice in the world, good governance in the country, spreading of the gospel in the region, ethical and loving care in the health fields, love and care for our neighbors and godliness in the family.

Shouldn’t my prayers be lively and likeminded to that of God?

We may have lived in seasons where there was no justice in place. People were killed and no one could ask why or hold those responsible to be brought to justice. During such times, the response would have been diverse according to the faith we had.

For those who did not have God to interact or turn to it would have been frustrating. To those who were unsure it would have been a time of uncertainty. But for those who had a living God it was assurance, hope and perseverance.

This was made possible through prayer.

God assured that He was in control and reminds and reveals His hand through the history.

This gave hope and perseverance through the spirit of God.  
Such a stand had an influence on those who were around.  
Today when I look back at history and events, God was faithful.  
He restored justice and was sovereign.  
Though the situation looked bleak and a breakthrough appeared improbable, the turn of events was real.

So, as we enter the month of March, let us march with confidence in prayer.  
Let us have interactive prayers with God where we do not only hope He listens but are assured that we have been heard.  
Let us involve every sphere we live in.  
Let us be people of assurance and hope and manifest it spontaneously.

Focus on these points and more as the Lord leads as you pray:

**Australia:**

Pray for the government and the opposition to be God fearing, be responsible towards the people, and accountable to God who sees all hearts.  
Let there be godly influence amid legislators and let all ungodly advice be ignored or rejected and dismissed by the power of El Shadai.

**HCF Australia ministry:**

Pray for the HCF ministry to grow in depth and breadth in Australia through his disciples of all generations.  
Let us be flag bearers of God's kingdom in the health fields and be a positive influence in the health care in the health field.

**The Christian Healthcare Workers:**

Pray for godly men and women to be influential at their workplace and strong in the Lord with humility and wisdom.  
Let them prosper in the Lord at their workplace in every aspect. Let their faith increase.

**World/Nations:**

Let us pray for the peace on earth: For the wars to cease and peace to prevail.  
Let us pray for the persecuted Christians for protection and strength and deliverance from evil.  
Let us pray for the universal church to proclaim the gospel of Christ as the answer to the problem of sinfulness of mankind. Holy boldness. Not be afraid or ashamed of the good news of Christ.  
Thank you for partnering with us in prayer. Please share your testimonies in your workplaces or your personal situations. We can together thank the Lord who answers prayer.
