LIVING FAITH OUT LOUD – HCFI 90th Jubilee celebration – World Conference

4 – 11 September 2026 – South Africa

Dear Prayer Partners

Consider the psalm of David: "The Lord is my Shepherd, I shall not be in want. He makes me lie down in green pastures, He leads me besides quiet waters, He restores my soul. He guides me in paths of righteousness for His Name's sake. Even though I walk through the valley of the shadow of death, I will fear no evil, for You are with me; Your rod and Your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil, my cup overflows. Surely goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever." Psalm 23

Remember that God is our Shepherd. He is our Good Shepherd who cares and sustains us through good seasons and challenging seasons. He relentlessly pursues our safety and welfare. Even when things seem uncomfortable, when there seems to be no light at the end of the tunnel; He is our Light and our Salvation. Each one of us as sheep in his pen are precious to him.

PRAYER POINTS

Church in Australia

1. Pray the body of Christ in Australia will be united in God's word and stand up for issues of life that matters to God. The members would be emboldened to share their faith in Jesus.
2. Pray for Christians in politics that God would provide them wisdom to stand strong in their faith.
3. Pray for planned law reforms that impact on religious freedom including the drafting of anti-conversion bills, that God's word would influence all spheres of life, and more people would accept Jesus as their Lord and Saviour. Also pray for law reforms around faith-based schools, that God would give Christians in education wisdom and courage to be strong in their faith.

Around the World today

1. The nation of **Nepal**. As they live through the devastating impact of death and destruction caused by the flash flooding. The love, comfort and provision for the individuals and their families will be met. Hope will not fade.
Also: the other countries that have undergone natural disasters, including people affected by the earthquakes in Venezuela and Mexico. The flooding in India and the United States. The wildfires in Canada and Norway. Pray for God's protection over the people living in these areas and pray for God's healing.
2. The nations caught up in ongoing conflicts and war. Pray for the Christians living in these areas. Their faith would rise. Zeal for the Lord will not be quenched. Hand of God will be tangible each day in their lives.
3. Pray for peace in the Middle East as well as in the Russian-Ukraine war. Pray for wisdom and the fear of God for the leaders on both sides. Leaders would be urged to care for the people God has put in their hands to govern. For the Christian brothers and sisters who have lost loved ones. Pray for God's peace and His love to overshadow them during this time.

HCF Australia and other Healthcare Ministries in Australia

1. Pray for God to have His way in HCF Australia. Many Christian healthcare workers and students will be challenged and urged to join to build the Kingdom of God in healthcare in Australia.
2. Pray for the Complete Person Care programs will equip and encourage believers to be salt and light in their workplaces and neighbourhoods. There are more broken people outside of the church where believers broken but mended by Christ mingle daily.
3. The Discovery Bible Studies and Saline Training will help Christian healthcare workers to grow as disciples of Jesus in their workplaces.
4. Pray that God would use the different outreach activities to reach more people for His kingdom in Australia and overseas. Partnership among other Christian Healthcare organizations (CMDFA, NCFA, AEFS) will strengthen the work for God's Kingdom and Kingdom values to be strongly established in healthcare in Australia. God's name alone will be lifted high.

Please consider the suggested prayer points along with what God has placed in your heart.
